

DAICO INDUSTRIES, INC.

---

## **QA Inspector**

Daico Industries, Inc. has led the way since 1965 with advanced IF/RF and Microwave Control Products and Amplifiers for the Defense Electronics, Aerospace, Commercial Aircraft, Wireless and other high-end commercial industries. From commercial space to advanced wireless applications, our custom high-reliability products are integral to the complex operations of major Satellite, Radar, Navigation, Communications, Electronic Warfare, and Missile Systems Applications.

We are looking for a detail-oriented and high motivated QA Inspector to join our team. As a Quality Inspector, you will play a critical role in ensuring the quality and integrity of our products by performing thorough inspections, testing, and measurements to meet production standards.

### **Responsibilities:**

- Inspect, test, and measure materials, components, and finished products, using various tools and equipment (calipers, gauges, micrometers, etc.).
- Read and interpret blueprints, specifications, and other technical documentation.
- Identify and document defects or non-conformances, and recommend corrective actions.
- Maintain accurate records of inspections and findings.
- Ensure adherence to quality control procedures and standards.
- Contribute to the continuous improvement of quality processes.

### **Requirements:**

- Knowledge of MIL-STD-883 inspection requirements for hybrid microcircuits and printed circuit board assembly soldering per J-STD-001 and IPC-A-610 preferred.
- Ability to be certified to J-STD-001/IPC-A-610.
- Must be familiar with bond pull and die shear equipment.
- Must be able to utilize basic hand-held inspection equipment (Calipers, Micrometers etc).
- Ability to read and interpret and follow mechanical drawings and electrical schematics including work instructions, manufacturing and quality procedures.
- Familiarity with die mount and wire bonding processes is a plus.
- Excellent written and verbal communications skills are required.
- Must be able to use a microscope for prolonged periods of time.
- Willing to work in a clean room environment using visual Inspection Equipment.

**We offer a competitive salary, comprehensive benefits and a 4-day workweek.**

Daico Industries Inc. is an Equal Opportunity Employer and considers qualified applicants for employment without regard to race, color, creed, religion, national origin, sex, sexual orientation, gender identity and expression, age, disability, veteran status, or any other protected factor.

Job Type: Full-Time

Pay: \$23.50 - \$24.50 per hour
