

DAICO INDUSTRIES, INC.

## **RF Test Engineer**

Daico Industries, Inc. has led the way since 1965 with advanced IF/RF and Microwave Control Products and Amplifiers for the Defense Electronics, Aerospace, Commercial Aircraft, Wireless and other high-end commercial industries. From commercial space to advanced wireless applications, our custom high-reliability products are integral to the complex operations of major Satellite, Radar, Navigation, Communications, Electronic Warfare, and Missile Systems Applications.

We are currently seeking an RF Test Engineer to join our Engineering team. You will be responsible for performing Engineering support and test tasks for RF/Microwave products.

### **Responsibilities:**

- Supports engineering developments of RF/Microwave products, including design supports, test procedures, evaluation tests, etc.
- Be familiar with RF Control Components and Sub-systems; drafts ATP/QTP procedures per customer SCD; performs evaluation tests accordingly.
- Be able to configure sophisticated RF tests setups for control components and sub-systems; implements test automation improving production efficiency.
- Exhibits in-depth RF knowledge; performs excellent hand-on RF laboratory work.
- Demonstrates strong verbal and technical writing/communications skills; develops potential capabilities of a technical liaison between customers and company.

### **Requirements:**

- BSEE degree or equivalent in engineering/science majors; 3 - 5 years' experience
- Familiar with RF test equipment, including Network Analyzer, Signal Generator, Power Meter, Spectrum Analyzer, Oscilloscope, etc.
- Knowledge of LabView or test automation is a Plus.
- Career development potential in Engineering Department.

**We offer a competitive salary, comprehensive benefits and a 4-day workweek.**

Daico Industries Inc. is an Equal Opportunity Employer and considers qualified applicants for employment without regard to race, color, creed, religion, national origin, sex, sexual orientation, gender identity and expression, age, disability, veteran status, or any other protected factor.
